

# Elizabeth Glaser Pediatric AIDS Foundation Fact Sheet

## OUR MISSION:

The Elizabeth Glaser Pediatric AIDS Foundation seeks to end HIV and AIDS globally in children, youth, and families.

## OUR VISION:

A world in which children, youth, and families live free from HIV and AIDS.

## OUR GOALS

- **Innovate for Impact:** Advance research and find better ways to fight HIV and AIDS.
- **Champion Change:** Advocate for resources and policies to fight the epidemic globally and locally.
- **Empower Health Systems:** Strengthen local healthcare to address HIV, AIDS, and related health issues.
- **Build Community Strength:** Help governments and communities with expert support and effective solutions.

## PROGRAMS AND INITIATIVES

- **Programs and Research:** We drive HIV prevention and treatment to keep children, youth, and families healthy.
- **Innovative Solutions:** We create smart data systems to boost our research and make our programs more efficient.
- **Empowering Communities:** We partner with governments and local groups to build strong policies and programs.
- **Advocacy for Change:** We work with policymakers to create environments that help end AIDS in children, youth, and families.

## ADOLESCENT SERVICES

- **Triple Threat:** Each week, 4,900 girls and young women (15-24) contract HIV, making up 60% of new cases among youth.
- **Supporting Youth:** We create social support and counseling programs to reduce stigma and engage young people living with HIV.
- **Growing Up with HIV:** As kids born with HIV become teens and young adults, we design tailored programs to help them with disclosure, treatment, and other challenges.

## KEY ACHIEVEMENTS

- **Over 33 Million Moms Protected**
- **410,000+ New Infections Prevented**
- **19 Countries Supported**

## HOW YOU CAN HELP

- **Donate:** Your contributions fund our mission and lifesaving programs.
- **Fundraise:** Join or host events to support EGPAF.
- **Advocate:** Raise awareness and push for policies that support HIV and AIDS research and treatment.
