

**Elizabeth Glaser  
Pediatric AIDS Foundation**  
Fighting for an AIDS-free generation

# You Have the Power to Make an Impact Today!

We are honored to carry on Elizabeth Glaser's legacy in our mission to create an AIDS-free generation. Every dollar raised brings hope, delivers treatment, and changes lives. Together, we can create a world where children are free from HIV and AIDS.

## \$5:

**HIV Counseling and Testing for One Pregnant Woman**

Your gift can help a pregnant woman receive treatment and protect her baby. A small act, a big impact on two lives!

## \$12:

**One Month of Care and Treatment for One Child Living with HIV**

Your contribution provides HIV testing and lifesaving treatment for a child. Reaching them is challenging, but your support makes it possible.

## \$25:

**HIV Counseling and Testing for One Child**

Your contribution provides HIV testing and lifesaving treatment for a child. Reaching them is challenging, but your support makes it possible.

## \$70:

**HIV Treatment for a Pregnant Woman for One Year**

Your support gives a pregnant woman with HIV a year of care, ensuring she stays healthy and delivers an HIV-free baby.

## \$100:

**One Year of Supplies for One Peer Educator**

Your donation supports a peer educator for a year, helping them reach and support adolescents on HIV treatment. Your gift keeps more young people healthy.

## \$200:

**One Week of Clinical Training for a Community Health Worker**

You can fund a week of clinical training for a community health worker. Your support empowers them to improve community health.

## \$500:

**Support a Trained Peer Counselor for One Year**

Your donation funds a peer counselor for a year, offering crucial support and hope to children living with HIV.

**SUPPORT CHILDREN WORLDWIDE. DONATE TODAY!**
